The following is an **examiner's statement of reasons for allowance**:

The prior art does not teach the specific composition of synthetic microspheres used by applicants to make a building material and thus is patentably distinct over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Inquiries may be made to Paul Marcantoni at 571-272-1373.
